

# **FREE Water Filters for Benton Harbor City Residents**

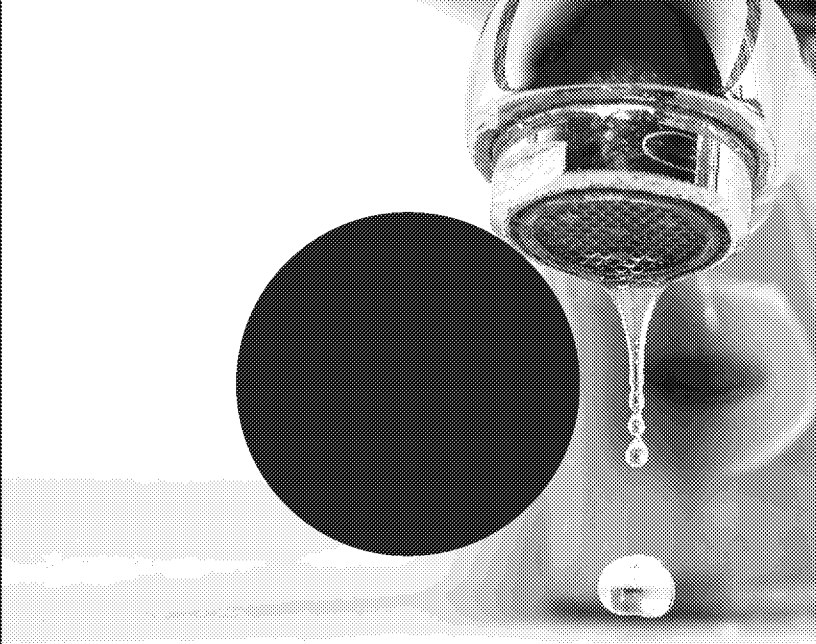

## **Sorry we missed you!**

The City of Benton Harbor still has an Action Level Exceedance (ALE) for lead in drinking water. To reduce your risk of lead exposure from the drinking water, it is recommended you use a lead-reducing water filter.

**Benton Harbor City residents can get a FREE lead-reducing water filter and replacement cartridges by:**

- Picking up water filter and/or replacement cartridges at the Berrien County Health Department office any time M-F 8:30 AM–5:00 PM. Address: 2149 E. Napier Ave. Benton Harbor, MI 49022.
- Picking up water filter and/or replacement cartridges at Center for Better Health any time T-F 10:00 AM–4:00 PM. Address: 100 W. Main St. Benton Harbor, MI 49022.
- Requesting a water filter and/or replacement cartridges be sent to your home by mail. Call 1-800-815-5485 to request a water filter and/or replacement cartridges to be mailed to you.

## **Reduce Risk of Lead Exposure in Drinking Water**

It is important to continue to protect your health by following the best practices for reducing lead in drinking water.
